**Objectives** : In order to cope up with the load growth in the twin cities and to provide quality power supply, a scheme is formulated to develop transmission and distribution network in the twin cities. The proposed scheme envisages erection of 3 Nos. 220 KV /132 KV substations (2X100 MVA) and 5 Nos. of 132 KV substations (2X50 MVA) along with connected lines & necessary 220 KV & 132 KV bay extensions.

### **Scope of the Work:**

- (a). Construction of power transmission facilities.
- (b). Consulting services.
