

## AP Post Flood Project

- A Task Force was setup to formulate a project to be posed to the World Bank for rehabilitation to the devastation caused by heavy floods during October, 2009.
- The identified affected areas are: Irrigation, Roads & Bridges, PR (Roads & Bldgs), Urban Infrastructure,, Rural Water Supply, Power, School Education, Housing, and other Sectors (Livelihoods – Handlooms, Fisheries and petty trades ).
- It was broadly proposed for World Bank funding requirement Lender share Rs.750.00 Crs. and State share 250.00 Crs.
- The Project is proposed for 4 years commencing 2013-14 to 2016-17.
- An amount of Rs.1.00 Crores is provided as token amount during BE for 2013-14.
- The year-wise funding details are indicated in the table:

Annual Plan 2013-14 Estimates			Annual Plan 2014-15 Estimates			Annual Plan 2015-16 Estimates			Annual Plan 2016-17 Estimates		
Lender Share	State Share	Total	Lender Share	State Share	Total	Lender Share	State Share	Total	Lender Share	State Share	Total
1.00	0.00	1.00	95.25	31.75	127.00	319.50	106.50	426.00	334.50	111.50	446.00
