

PRE FACE

The Universities adopted the Revised Pay Scales in respect of their Non teaching staff of Universities till 1986 Pay Revision. After revision of pay scales of the State Government employees in 1986, Government took up the revision of pay scales of the Non Teaching staff of Universities. A Committee under the Chairmanship of Prof. T. Navaneetha Rao, the then Vice Chancellor of Osmania University was constituted to make suitable recommendations on the revision of Pay Scales to the Non teaching staff of Universities. Pending the recommendations of the said Committee and the decision thereon, Government assigned pay scales on par with the Government employees where they are comparable and for others assigned corresponding scales.

The recommendations of Prof. Navaneetha Rao Committee were implemented from 1.4.1990. From then onwards, the revision of pay scales and allowances of the Non-teaching staff of all Universities including Agricultural University, Jawaharlal Nehru Technological University and Regional Engineering College, Warangal are being included in the terms of reference of the successive Pay Revision Commissions.

The Pay Revision Commissioner, 1993 suggested appointment of a Committee to have an in-depth review of the existing service rules and to formulate revised service rules for all the Non-teaching posts in the Universities including Regional Engineering College, Warangal.

Government in G.O. Ms. No. 349, Education (UE) Department dated 01-10-1993, constituted a Committee under the Chairmanship of Prof. N. Balakrishna Reddy, the then Chairman of A.P. State Council of Higher Education to review the existing service rules and formulate revised service rules for all the Non-teaching posts in the Universities. The said Committee submitted its report on 21-2-1995. Government examined the recommendations but did not issue orders on the recommendations of the Prof. N. Balakrishna Reddy Committee.

The revision of pay scales of the Non-teaching staff of the Universities was again included in the terms of reference of the Pay Revision Commissions, 1999 and 2005. These Commissions as well the Anomalies Committee constituted after the Pay Revision Commission, 1999 found it difficult to assign suitable pay scales by drawing proper comparison among various categories of Non Teaching staff within Universities.

Government vide G.O. Rt. No. 8240, General Administration (Special A) Department dated 14.12.2005, referred the following term of reference to the One Man Committee constituted vide G.O. Rt. No. 8240, General Administration Special (A) Department dated 14.12.2005.

“The Committee shall examine the decisions arrived on the recommendations of Prof. N. Balakrishna Reddy Committee Report submitted to Government in 1995, by the Higher Education Department as accepted in circulation to Hon’ble Chief Minister subject to the following.

1. The designation recommended to be adopted for the posts in the Universities shall be in harmony with the designations obtaining in the Govt. for similar posts.
2. There shall not be any variation in the Pay Scales of Non-teaching posts of the Universities compared to similar posts in the Government.
3. Standardization of cadre strength.
4. The need to have a centralized agency to oversee, guide and regulate future creation of posts, hierarchy, designation etc., to avoid anomalies that have arisen in the past.
5. Recommendations of Service Rules.”

The One Man Committee submitted its recommendations to the Government. Government in Finance Department referred the recommendations to the Education Department. Education Department obtained the views of the State Council of Higher Education. Government is yet to take a view on these recommendations.

As no decision is taken on the recommendations of the One Man Committee, we have independently examined the requests of the Non Teaching Staff of Universities and made our recommendations.

In some Universities the Commission noticed that there are Assistant Registrars in Peshis of Vice Chancellors. Normally Assistant Registrars are not attached to Peshis of Vice Chancellors. In case if any Assistant Registrar is posted as Secretary to Vice Chancellor, he will carry his own scale of pay. The normal uniform patter is to have one P.S. in category of Special Category Stenographer and one P.A. in category of Senior Stenographer.

The Commission in order to rationalize the structure of Stenographers who are working as Personal Secretary or Personal Assistant, in the office of Vice Chancellor and Registrars of various Universities in Andhra Pradesh recommends the following scales of pay.

The existing pay scales of the Assistant Librarians in the Public Libraries Department and the revised pay scales recommended to them are as indicated below:

Assistant Librarian Grade II	: Rs.6195-14175	Rs.10900-31550
Assistant Librarian Grade I	: Rs. 7770-18575	} Rs. 13660-38570 (corresponding to Rs.8385-19125)

The Commission equates the Library Assistants in the Universities which are in the scale of Rs.6195-14175 and Rs.7770-18575 / 8385-19125 with the Assistant Librarian Grade II and Assistant Librarian Grade I respectively. The requests for revision of pay scales of various categories are examined below:

Computer	:	Rs.6195-14175
No. of Posts	:	10

It is represented that this post was on par with Assistant Statistical Officer till the Anomalies Committee 2004 improved the pay scale of Assistant Statistical Officer by one stage. The disparity continued in 2005 Pay Revision. It is requested to assign the pay scale of Rs.6505-15025 on par with Assistant Statistic Officer in Economics and Statistics Department.

The post of computer is filled in by Direct Recruitment and by promotion of Field Assistant / Sub-Assistant with an experience of five years in that post. The qualification for Direct Recruitment is a Degree in Maths/Economics/Statistics/Commerce and experience in Statistical Analysis

and Computation. The qualification for promotion is experience. The post of Assistant Statistical Officer in the Directorate of Economics and Statistics is filled in by Direct Recruitment and the qualifications prescribed are Second Class Degree in BA / B.Sc with two subjects out of Economics / Statistics / Mathematics and Computer Science.

The pay scales of the computer and Assistant Statistical Officer of Directorate of Economics and Statistics from time to time are as under:

Category	1978	1986	1993	1999	2005
	Rs.				
Computer	-----	1100-2050	2195-4560	4190-8700	6195-14175
Assistant Statistical Officer of Directorate Economics and Statistics	530-850	1100-2050	2195-4560	4190-8700 4430-9300 *	6505-15025

*improved by the Anomalies Committee, 2004

There is difference in the mode of recruitment of the posts of Computer and Assistant Statistical Officer. To the extent possible the Commission would like to see that the posts of Statisticians have the same scale of pay as in the Directorates of Economics and Statistics. We would also like to see that the qualification at par. In this case they are not exactly at par. However, in view of the parity that existed for a long time and as the duties and responsibilities are similar, the Commission assigns the pay scale of Rs.11530-33200 (Rs.6505-15025) to this category as against the existing pay scale of Rs.6195-14175.

Since it initial level posts we suggest that the University may prescribe qualification prescribed for the post of Assistant Statistical Officer for future recruitment and apply the same academic qualification promotion purpose also.

Statistical Assistant	:	Rs.7770-18575
No. of Posts	:	1

It is requested to assign the pay scale of Rs.9285-21550 on par with Statistical Officer in Economics and Statistics Department.

The post is to be filled in by direct recruitment or by promotion from the category of Field Investigator or Computer with five years experience. The qualification is a Degree in Agriculture first or second class degree in

Maths / Economics / Commerce / Statistics Experience for one year in analysis and interpretation of field experiments, Post Graduate training in Agricultural, Statistics for one year in ICAR / ISA.

The post of Statistical Officer in Economics and Statistics Department it to be filled in by promotion from Deputy Statistical Officer. This is the initial post in the Gazetted Categories in that Department.

The pay scales of the Statistical Assistant and Statistical Officer given in the earlier revisions for these categories are shown below:

Category	1986	1993	1999	2005
	Rs.			
Statistical Assistant	1280- 2440	2600- 5580	5000- 10600	7770- 18575
Statistical Officer in the Directorate of Economics and Statistics	1810- 3230	3310- 6840	6350- 13000	9285- 21550

The post is on par with the Deputy Statistical Officer of the Directorate of Economics and Statistics. Comparison of this post with the Statistical Officer is not correct.

Continuing the existing parity, the Commission assigns the pay scale of Rs.14860-39540 (Rs.8385-19125) to the category of Statistical Assistant as against the present the pay scale of Rs.7770-18575.

Assistant Statistician : Rs.9285-21550
No. of Posts : 1

It is requested to assign the pay scale of Rs.10285-24200 on par with Assistant Statistician in Agricultural department.

The post is filled by promotion from Statistical Assistant. The qualification is a Degree in one of the subjects of Maths / Statistics / Economics / Pure Economics / Commerce / Applied Statistics / Applied Mathematics Economics or Computer Science with three years service as Statistical Assistant.

The pay scale of this post from time to time is as under:

Rs.			
1810-3230	3310-6840	6350-13000	9285-21550

The post is on par with Statistical Officer in the Directorate of Economics and Statistics. Who is also in the same scale. Comparison with the Assistant Statistician in Agriculture Department with a higher scale is not tenable. Hence, the Commission sees no reason to improve the pay scale and accordingly assigns a corresponding scale 16150-42590.

The requests for revision of pay scales of various categories are examined below:

Technician Grade-A (USIC)	:	Rs.4050-9050
No. of posts	:	1

It is requested to assign the pay scale of Rs.5200-11755 on par with Technician Grade – A in Nagarjuna University.

The post of Technician Grade – A, USIC is filled by direct requirement. The qualification is B.Sc.

The post of Technician Grade –A in Nagarjuna University is to be filled by direct recruitment and qualifications prescribed is ITI in the relevant trade with 2 years experience.

The pay scales of the Technician Grade – A (USIC) in Andhra University and Technician Grade – A Nagarjuna University from time to time are as indicated below:

Category	1978	1986	1993	1999	2005
	Rs.				
Technician Grade-A	410-625	780-1275	1475- <u>2675</u> 1745- 3420*	2750- 5150	4050- 9050
Technician Grade-A Nagarjuna University		1010- 1800	1875- 3750	3550- 7150	5200- 11755

* improved by the Anomalies Committee, 1995

The Technician Grade A in the Nagarjuna University is drawing a higher pay scale from the inception and the qualifications are different. As such there is no comparison between these two posts.

However, it is noticed, that the Anomalies Committee, 1995 improved the pay scale and assigned the pay scale of Rs.1745-3420 to the Technician Grade A in Andhra University. The Pay Revision Commission, 1999 assigned the corresponding scale to the improved scale. However, while preparing the Departmental Schedule of the University, the improved scale was not included. The existing scale (viz., Revised Pay scale of 1993) was shown as Rs.1475-2675 instead of the improved scale of Rs.1745-3420 and the corresponding scale to Rs.1475-2675 was shown. Thus recommendations of the Anomalies Committee, 1995 and Pay Revision Commissioner, 1999 were not reflected in the abstract of the recommendations of the Pay Revision Commission, 1999. Apparently, this might be due to oversight. As is evident from the discussion on this category, the Pay Revision Commissioner, 2005 also did not notice it.

In view of the above, the Commission assigns the pay scale of Rs. 8440-24950 to this post which was equivalent pay in 1999 Revision for the scale of Rs.1745-3420 and Rs.4825-10845 in the Revised Pay Scales, 2005.

**Electronic Technician
(Physics Department)** : Rs.6195-14175
No. of posts : 2

It is requested to assign the pay scale of Rs.8385-19125 on par with Laboratory Supervisor in Osmania University.

The post of Electronic technician is filled by direct recruitment and the qualification is B.Sc first or second class or Diploma in Engineering.

The post of Laboratory Supervisor in Osmania University is filled by promotion from the category of Lab Assistant. The qualification prescribed is B.Sc degree in concerned subject.

The pay scales of the Electronic Technician Physics Department of the Andhra University and the Laboratory Supervisor in Osmania University from time to time are as under:

Category	1986	1993	1999	2005
	Rs.			
Electronic Technician (Physics Department)	1150-2110	2195-4560	4190-8700	6195-14175
Laboratory Supervisor in Osmania University	1550-3050	2930-5960	5640-11300	8385-19125

The post of Laboratory Supervisor is in higher scale from the inception and is a promotion post to the category of Lab Assistant. Comparison between these two posts is not correct as the former is a promotion post. Hence, the Commission assigns a corresponding scale of Rs.10900-31550.

Technical Assistant : Rs.6195-14175
(Dept. of Bio-chemistry) (Not included in Schedule)
 No. of posts : 8

It is requested to assign the pay scale of Rs.7770-18575 on par with Technical Assistant (Employment Bureau) in Andhra University.

The post is filled by direct recruitment. The qualification is first or second class degree in B.Sc.

The post of Technical Assistant (Employment Bureau) in Andhra University, is filled in by direct recruitment and the qualification is Post Graduation.

The pay scales of these categories from time to time are as indicated below:

Category	1978	1986	1993	1999	2005
	Rs.				
Technical Assistant (Bio-Chemistry)	600-1050	1150-2110	2195-4560	4190-8700	6195-14175
Technical Assistant in Employment Bureau	600-1050	1150-2110	2195-4560	4190-8700	7770-18575

The qualification of the Technical Assistant in the Employment Bureau are higher. The Pay Revision Commissioner, 2005 improved the pay scale of this category in view of the qualifications, duties and responsibilities attached to that post.

The Commission does not accept the contention to equate the post of Technical Assistant (Bio Chemistry) with the Technical Assistant in Employment Bureau. The Commission is convinced that the existing scale is adequate for this post. Hence, we assign corresponding scale of Rs.10900-31550.

Technician (Physics Dept.) : Rs. 7200-16925(EIP)
6505-15025(FE)

No. of posts : 8

It is requested to assign the pay scale of Rs.8385-19125 on par with Laboratory Supervisor in Osmania University.

The post is filled by direct recruitment. The minimum qualification for this category is ITI with 15 years service.

The Laboratory Supervisor in Osmania University is filled by promotion from the category of Lab Assistant. The qualification is B.Sc., with 10 years experience.

The pay scales of these categories from time to time are as indicated below:

Category	1986	1993	1999	2005
	Rs.			
Technician Physics Department	1150-2110	<u>2525-5390</u> (EIP) / 2315-4880 (FE)	<u>4850-10250</u> (EIP) / 4430-9300 (FE)	<u>7200-16925</u> (EIP) / 6505-15025 (FE)

Laboratory Supervisor in Osmania University	1550-3050	2930-5960	5640-11300	8385-19125
---	-----------	-----------	------------	------------

The post of Laboratory Supervisor in Osmania is in the higher pay scale from the inception. The qualifications are different. Thus, both the posts are not comparable.

The Commission is convinced that the pay scale assigned to this post is adequate and assigns the corresponding scale of Rs. 12550-35800 (EIP) / 11530-33200 (FE).

Senior Technical

Assistant (USIC) : Rs.7770-18575
 No. of posts : 1

It is requested to assign the pay scale of Rs.8385-19125 on par with Senior Technical Assistant in Osmania University.

The post is filled in by direct recruitment and promotion from the category of Technical Assistant. The qualification prescribed for the post is M.Sc first or second class.

The post of Senior Technical Assistant (USIC) in Osmania University is filled by Direct Recruitment and the qualification is M.Sc., Second class.

The pay scales of these categories from time to time are as shows below:

Category	1986	1993	1999	2005
	Rs.			
Senior Technical Assistant	1330-2630	2600-5580	5000-10600	7770-18575
Senior Technical Assistant in Osmania University	1550-3050	2930-5960	5640-11300	8385-19125

The post of the Senior Technical Assistant in Osmania is drawing higher pay all along. However, the qualifications and duties of both the posts are equal. The Commission sees no reason for continuing these posts in different scales. Accordingly, we assign the scale of Rs.14860-39540 (Rs.8385-19125) to this category as against existing scale of Rs.7770-18575, in order to have uniformity in the scales.

Assigning UGC Pay scales does not fall within the purview of the Pay Revision Commission.

The Commission in the absence of Recruitment Rules assigns the corresponding scale of Rs.18030-43630

University College of Engineering

Section Cutter : Rs.4595-10285
No. of posts :

It is requested to assign higher pay scale of Rs.5200-11755 on par with Technician-III in same university.

The pay scales of these categories from time to time are as shown below:

Category	1993	1999	2005
	Rs.		
Section Cutter	1665-3200	3130-6150	4595-10285
Technician - III	1875-3750	3550-7150	5200-11755

The Section Cutter is in the lower scale from inception and the Commission sees no reason to equate this post with the Technician. The University has not furnished the Recruitment Rules. The Commission assigns the corresponding scale of Rs.7960-23650.

Driver (Light Vehicle) : Rs.4595-10285
No. of Posts :

It is requested to assign the higher pay scale of Rs. 5200-11755 on par with Driver (H.V.) in Government Departments. The Drivers are said to be possessing heavy Vehicle license.

As seen from the particulars furnished by the University, there are no posts of Drivers of Heavy Vehicle. Allowing the pay scale of Heavy Vehicle Driver amounts to up-gradation. This is an administrative process to be undertaken by the University.

The Commission, till such time assigns the pay scale of Rs. 7960-23650, the pay scale applicable to the Driver Light Vehicle in the Government Departments. When the posts of Drivers (Heavy Vehicles) are created, the individuals appointed to those posts are to be placed in the scale recommended by the Commission for Heavy Vehicle Drivers under Common Category in Government Departments.

Artist in Osmania University	2195-4560	4190-8700	6195-14175

The Artist in the Osmania University is always in higher scale from inception and the qualifications are higher. The Commission, therefore, sees no reason to equate the post of Artist of the Kakatiya University with the Artist of the Osmania University. We assign a corresponding scale of Rs.7960-23650.

Professional Assistant : Rs.8385-19125
 No. of posts :

*Improved by the Anomalies Committee, 2004

There are various categories of Technicians in Sri Padmavathi Mahila Visvavidyala University carrying different scales of pay. The Lab Technician (formerly Technician B. Pharmacy) is in the higher scale of Rs.5470-12385 and he assists the students of Post Graduation and Research Scholars. So, comparison can not be drawn between these categories. Obviously, the comparison is with the former Technician (Microbiology) to have homogeneity. The Technician in Sri Padmavathi Mahila Visvavidalya University is drawing a lower scale and in fact he is equated with the

Technician in Osmania University. The existing scale is adequate. Hence, we assign a corresponding scale of Rs.9200-27000 (Rs.5200-11755).

The Commission is convinced that the existing scale is commensurate with the qualification prescribed for Direct Recruitment and the promote carry the higher scale as personal to them. This does not require any revision. Hence, we assign corresponding scale(s) of Rs.10900-31550 for Direct Recruits and Rs.11530-33200 for promotes.

The post is filled in by Direct Recruitment. The qualification is Second Class Masters Degree in Telugu, Linguistics from a recognized University and two years experience in conducting cultural activities.

Programme Officer in Cultural Affairs Department	1330-2630	2600-5580	5000-10600	7770-18575

The pay scale of Programme Incharge is always lesser scale than the pay scale of Programme Officer in Cultural Affairs Department. However, Commission keeping in view the qualifications and duties attached to the post, is inclined to improve the scale and accordingly assigns the pay scale of Rs.12550-35800 (Rs. 7200-16925) as against the pay scale of Rs.6675-15500 at present.

Conservation Assistant	:	Rs.7770-18575

Assistant Director in Archeology and Museum Department	1050-1600	1980-3500	3640-7580	6950-14425	10285-24200

The post of Conservation Assistant is comparable will Technical Assistant in Archeology and Museums Department. The post of Technical Assistant is a feeder category to the Post of Assistant Director in Archeology and Museum Department whereas the post of Conservation Assistant is the first level entry. Qualifications are not the lone criteria for assigning a pay scale to any category and draw equations. The post of Conservation Assistant is in the lower scale from inception. The mode of recruitment of these posts is also different. Therefore, the comparison is not correct.

We are convinced that the existing scale is adequate and accordingly recommends the corresponding scale of Rs.13660-38570.

	Rs.			
Library Assistant in Potti Sree Ramulu Telugu University	1810-3230	3310-6840	6350-13000	9285-21550
Library Assistant in other universities	1810-3230	3310-6840	6350-13000	10285-24200

The post of Library Assistant in Potti Sree Ramulu Telugu University used to draw the pay scale on par with the Library Assistants in other Universities. However, the pay scale of the Library Assistants in other Universities has been enhanced and the enhancement has not been extended to the Library Assistant in Potti Sree Ramulu Telugu University. There is no discussion on this category. Apparently, this may be an omission. The Commission therefore assigns the pay scale of Rs.19050-45850 (Rs.10845-25600) to the post of Library Assistant in Potti Sree Ramulu University, as against the pay scale of Rs.9285-21550, to maintain uniformity with other Universities.

There are no posts of Internal Audit Officer in any of the University. However, the audit branches in other Universities seem to be under the supervision of officers in the pay scale of Rs.12385-27750. As the University has three campuses spread over the State and considering the need to have a strong pre audit system, the Commission considers it appropriate to allow the scale of Rs.12385-27750 in the existing pay structure. Accordingly, the Commission assigns a pay scale of Rs.21820-48160 (Rs.12385-27750) as against the existing the pay scale of Rs. Rs.10285-24200.

Laboratory Assistant, Andhra University.	1330-2630	2525-5390	4850-10250	7200-16925

*Improved by the Anomalies Committee, 2004

The Commission is not in favour of assigning two scales to a particular category unless it is noticed that undue benefit has accrued to any particular category and there is a need to revise it. In such case, the interest of the existing incumbent is protected by way of personal scale. Such

circumstances are not there in the instant case. The pay scale to any particular category is with reference to the qualifications prescribed for the posts but not with reference to the qualifications possessed by the incumbent.

The Commission is of the view that the pay scale attached to the post is commensurate with the qualification prescribed to the post. Hence, the corresponding scale is assigned.

13. SRI VENKATESWARA VETERINARY UNIVERSITY

Lab-Technician	:	<u>Rs.5200-11755 (EIP)</u> 4370-9775
No. of posts	:	

It is represented that the incumbents appointed prior to 1993 with SSC qualification are getting the pay scale of 5200-11755 whereas the incumbents appointed after 2002 with B.Sc., qualification are getting the pay scale of Rs 4370-9775. It is requested to assign a uniform scale of Rs.5200-11755.

The post of Lab Technician is filled in by Direct Recruitment and promotion from the category of Record Assistant. The qualification for Direct Recruitment is B.Sc., (Botany, Zoology, Chemistry / Microbiology, and Genetics with preference to those with Medical Lab Technology as one of the subject / Diploma in Medical Laboratory Technology. The qualification for promotion is a pass in Eighth class, five years experience as Record Assistant/ten years of experience as Attender and successful completion of training for a period of six months conducted by Veterinary College of Sri Ventakateswara Veterinary University.

The pay scale of the Lab-Technician from time to time is as indicated below:

1986	1993	1999	2005
Rs.			
1010-1800	1875-3750 (EIP) / 1595-3020 (FE)	3550-7150(EIP) / 2990-5810(FE)	5200-11755(EIP) / 4370-9775 (FE)

The post was in the pay scale of Rs.450-700 in 1978 Pay Scale. In 1986 Pay Revision, the post was assigned a scale of Rs.1010-1800. The qualification for this post at that time for Direct Recruitment was SSC with six months training in a laboratory of Veterinary College and for promotion; it was a pass in Eighth Class with six months training in a laboratory of Veterinary College. The Pay Revision Commission, keeping in view the qualification and the pay scale the post was carrying in 1978 Scales of pay assigned a pay scale of Rs.1595-3020 duly protecting the pay scale. The successive Pay Revision Commissioners are assigning the corresponding scales. The University enhanced the qualification for Direct Recruitment in the year 1998. So, a peculiar situation of employees who were recruited with lesser qualification drawing a higher pay scale than the employees who are recruited with higher qualification has arisen. This anomaly has therefore to be addressed.

The Commission takes note of the enhanced qualification prescribed. Accordingly, we assign the pay scale of Rs.10020-29200 which corresponds to the pay scale of Rs.5750-13030 to those with Degree qualification and corresponding scale of Rs.9200-27000 for incumbents with lesser educational qualifications.

**NOTE TO PART II
(University Schedules)**

The Commission examined various requests for revision of pay scales. While examining the proposals, we came across certain related and similar categories and those cases have also been examined irrespective of receipt of request. We revised the pay scales of certain categories where we are convinced that there is justification to do so. In other cases, we assigned corresponding scale. In either case, the revised pay scale applicable to any category will be as indicated in the University Schedules.

Where there is no discussion on any category if any post does not find place in the Universities Schedule in Volume III, such category get corresponding scale as indicated in the Schedule I.

The term 'corresponding scale' mentioned in the column "Revised Pay Scale" of the Schedule against any category refers to the proposed scale shown in the "Table of Existing and Proposed Scales" existing (2005) pay scale of such category.

The term 'Common Category' mentioned in Column "Revised Scale" of the Schedule against the category refers to the proposed pay scale shown in the "Posts Common to All Universities" against the existing (2005) pay scale of such category.
